SECTION A DIGITAL BANKING SERVICES - UNIVERSAL TERMS AND CONDITIONS

1. Who we are

1.1 These Conditions are between you (the customer) and us. They apply to the Digital Banking Services (described below). In these Conditions when we talk about "Clydesdale", "Yorkshire", "B", "we", "us" and "our" we mean Clydesdale Bank PLC, Registered in Scotland (No SC001111) with Registered Office 30 St Vincent Place Glasgow G1 2HL. B products and services are provided by Clydesdale Bank PLC (which also trades as Yorkshire Bank).

2. What are Digital Banking Services?

- 2.1 These Terms and Conditions ("Conditions") cover use of the following services provided by Clydesdale Bank PLC (whether via Clydesdale, Yorkshire or B):
- 2.1.1 Telephone Banking;
 - 2.1.2 Internet Banking; and
 - 2.1.3 Our Banking Apps.
- 2.2 In these Conditions we use the term "Digital Banking Services" to cover all of the above and each one is a "Digital Banking Service".
- 2.3 The terms set out in Section A of these Conditions (Digital Banking Services – Universal Terms and Conditions) apply to all Digital Banking Services. In addition to these general conditions:
- 2.3.1 if you are using Telephone Banking, the terms in Section B apply;
 - 2.3.2 if you are using Internet Banking, the terms in Section C apply; and
 - 2.3.3 if you are using the Banking Apps, the terms in Section D apply.
- 2.4 These Conditions work alongside the terms and conditions for the account or product which we allow you to use with the Digital Banking Services (e.g. the terms for your current account or your credit card). We refer to those terms as the "Product Conditions". So for example, if you use the B app, the Banking Apps conditions set out in Section D below work alongside the Terms and Conditions and the Tariff for B accounts and any other account we allow to be used with the B app. If there's a conflict between these Conditions and your Product Conditions, your Product Conditions will take precedence.
- 2.5 You can find copies of your Product Conditions on our websites.
- 2.6 You should read these Conditions carefully before accepting them. You may wish to print them and keep them safe for future reference. A copy of these Conditions will be available on our website. If you've any questions about these Conditions, please contact us. You can get in touch by visiting a branch or calling the phone numbers on our website (at the "Contact Us" or "Get Help" sections).

3. Who can use the Digital Banking Services

- 3.1 To use any of the Digital Banking Services you must have a product with us which we agree can be used with the relevant Digital Banking Service.
- 3.2 To use the Banking Apps you must be over eleven (11) years old.
- 3.3 To use Internet Banking or Telephone Banking you must be over sixteen (16) years old.

- 3.4 To use the Banking Apps you must have a compatible mobile phone and/or tablet to access the full range of features (in these Conditions we call these "Devices").
- 3.5 If you want to receive SMS Alerts you must have a UK mobile number starting with 07.

4. Keeping your Account Safe

- 4.1 When you set up any Digital Banking Service to keep your account secure you will need to set up security passcodes, passwords and similar. In these Conditions we call these your "Security Details". As long as our systems have checked your identity by verifying Security Details we will assume that we are dealing with you and that you have agreed to us disclosing information to you and acting on any instruction without getting further confirmation from you.
- 4.2 Except where you are logging or signing in to a digital Banking Service we will never ask you to tell us your Security Details (e.g. by calling you or emailing you) so please don't share them with anyone, even if they say they're from Clydesdale Bank, Yorkshire Bank or B.
- 4.3 You agree:
 - 4.3.1 not to give your Security Details to anybody (even if it looks like we may have asked you for them);
 - 4.3.2 not to write down your Security Details in a way that they could be understood by anyone else;
 - 4.3.3 to make sure no-one else sees you enter your Security Details when you're using a Digital Banking Service;
 - 4.3.4 to follow all instructions or "Alerts" (such as emails, push notifications and SMS messages) which come from us; and
 - 4.3.5 to check your account records carefully.
- 4.4 You must tell us as soon as you can if:
 - 4.4.1 someone else knows your Security Details (or you think they may do);
 - 4.4.2 you see any mistakes or unauthorised payments in or out of your account; or
 - 4.4.3 you think someone else has or has tried to get into your account.
- 4.5 If any of the above happens, you should change your Security Details:
 - 4.5.1 for the Banking Apps, from within the banking app using another registered device;
 - 4.5.2 for Internet Banking, by using the options on the internet banking website; and
 - 4.5.3 for Telephone Banking, by calling us immediately to select new telephone Security Details.
- 4.6 You must call us as soon as you can if your mobile, tablet, laptop or computer that you use with a Digital Banking Service (or which syncs to your Device) to has been lost, stolen or fraudulently accessed.
- 4.7 We may ask you to change your Security Details for operational or security reasons.

5. Joint Accounts

- 5.1 All joint account holders can independently use the Digital Banking Services. If payees (what we call the person, company, charity or other organisation you're paying) are created on joint accounts using a Digital Banking Service, all account holders will be able to view, use, amend or cancel them if they have an account which can be used with the Digital Banking Service and (where relevant) they have a separate Device to access the Digital Banking Service.

6. Nominated Users

- 6.1 You'll be able to nominate other people aged sixteen (16) years or over ("Nominated Users") to use the Digital Banking Services on your behalf. If you are a Nominated User these Conditions apply to you as if you were the customer.
- 6.2 A Nominated User who has been nominated by you may use the Digital Banking Service(s) in the same way as you can (provided this does not conflict with any restrictions we place on Nominated Users from time to time).

- 6.3 We will assume that anything a Nominated User does using the Digital Banking Services has been authorised by you. You will notify us in accordance with Paragraph 15.2 if a Nominated User should only have restricted access to or use of an account (for example, only to access financial information about an account) or if they should no longer be able to use the Digital Banking Service. We will endeavour to comply with any reasonable instructions regarding restrictions on your Nominated Users so long as they are compatible with our systems (we will inform you if they are not).

7. Charges

- 7.1 We do not charge you to use the Digital Banking Services however there may be other fees imposed by your communications services (e.g. telephone, mobile network or Wi-Fi provider) for using the Digital Banking Services and receiving Alerts whether in the UK or abroad.

8. Automated Payments

- 8.1 You can instruct us using the Digital Banking Services to transfer money between any of your accounts that can be used on the relevant Digital Banking Service or to make automated payments (including bill payments) on your behalf. - 9.1 You can usually use the Digital Banking Services at any time but sometimes repairs, updates and maintenance on our systems and those of our suppliers may mean that some of the features may be slower than normal or temporarily unavailable. We won't always be able to let you know when a Digital Banking Service won't be available and we won't be responsible for any losses you suffer as a result of such unavailability or where the Digital Banking Service is not working properly for other reasons outside of our control.
- 9.2 If a Digital Banking Service is not available it's up to you to use other ways to make your transactions or obtain/ give information to us (e.g. by using another Digital Banking Service or visiting in-branch).
- 9.3 The money management features within the Digital Banking Services (e.g. future projections) look at your historic behaviour and estimate your future actions based on that information. Any illustrations, projections and automatic "tagging" of any transactions are only indicative and are based on the information provided by you and your past transactions. Nothing contained in the Digital Banking Services constitutes advice.

10. If you didn't authorise a payment

- 10.1 Unauthorised, incorrect or failed payments from an account or product you use with the Digital Banking Services will be dealt with as set out in the relevant Product Conditions together with clause 10.2 below.
- 10.2 If unauthorised payments are made from your account and you (or your Nominated User) have either deliberately or by being grossly negligent failed:
- 10.2.1 to keep your Device or Security Details secure (in the ways mentioned in the "Keeping your account safe" section above); or
 - 10.2.2 to tell us as soon as possible on becoming aware that your Device or Security Details have been compromised or misused,
- we won't refund any payments and you may be responsible for all losses that were made before you tell us that the Device or Security Details have been compromised or misused.

11. Changes in the Digital Banking Services/ Conditions

- 11.1 When you sign up for a Digital Banking Service you must accept the Conditions for using that Digital Banking Service.
- 11.2 Each Digital Banking Service may be updated without changes to these Conditions and you should log into or access your Digital Banking Services regularly to check what's changed.
- 11.3 The Digital Banking Services may also be updated in a way that makes a change to these Conditions. If that happens you'll be notified at least two months before the change is made, unless it has to be changed sooner to meet a regulatory requirement (such as any law, rules made by the Financial Conduct Authority, Prudential Regulation Authority or other regulatory body, a decision made by a court, ombudsman or similar body, or any industry guidance or codes of practice we have to comply with).
- 11.4 If you don't agree to the changes, you can stop using the Digital Banking Service whenever you like. Unless you choose not to accept the change and stop using the Digital Banking Service before the change is made, we will assume you've accepted the change.

- 12.2 If you're stopped from using a Digital Banking Service, you'll be told beforehand or as soon as possible afterwards.
- 12.3 We may stop you from using a Digital Banking Service (and cancel this agreement) for any other reason by giving you two months' notice.
